PROPOSAL DEADLINE: January 29, 2024 - 12:00 PM SGT (GMT +8) INTRODUCTION:

U.S. Soybean Export Council (USSEC), Inc. is formally inviting proposals for the engagement of an Administrative and Project Support Consultant. The scope of work involves the coordination and provision of professional services to support administrative functions and project-related activities.

Applicants for this position are expected to possess a strong background in administrative tasks, including but not limited to document preparation, scheduling, and communication management. The Consultant will also be responsible for providing project support, including data collection, analysis, and report generation.

USSEC, with its global network of international offices and strong U.S. support, plays a crucial role in promoting U.S. soybeans and soybean products worldwide. The organization is seeking a qualified individual to contribute to its mission by efficiently managing administrative and operational duties, to provide essential support for USSEC's projects.

Prospective candidates should carefully review the detailed requirements outlined in this Request for Proposals (RFP) and submit their proposals accordingly. We look forward to receiving applications from individuals with the skills and expertise to fulfill the responsibilities of this Administrative and Project Support Consultant position.

PURPOSE OF RFP:

USSEC is seeking a qualified candidate to provide the services of an Administrative and Project Support Consultant. The candidate for this position must be a seasoned and highly organized professional, capable of seamlessly managing a diverse array of responsibilities. The emphasis is on leveraging substantial experience to not only meet but exceed expectations in the realms of document preparation, scheduling, and communication management.

The experienced individual will bring a wealth of knowledge to streamline administrative processes, ensuring efficiency and accuracy in all tasks undertaken. This includes the ability to create and maintain meticulous records, manage calendars with finesse, and facilitate seamless communication channels within the organization and with external stakeholders.

Interpersonal skills are paramount. The ideal candidate must possess exceptional communication and collaboration skills, fostering positive working relationships with team members, clients, and other stakeholders. Their ability to convey information in a comprehensible manner, coupled with active listening and effective interpersonal communication, will contribute to a harmonious and productive work environment.

In summary, the role requires an individual with a proven track record in administrative tasks, project support, and data management. However, the distinguishing factor lies in the candidate's depth of experience, organizational prowess, and strong interpersonal skills, which collectively contribute to their ability to excel in this multifaceted and dynamic position.

BACKGROUND & PURPOSE OF PROJECT:

This RFP is in strategic alignment with our growing initiatives to promote U.S. Soy for food and feed applications across regional markets. The consultant's role is instrumental in ensuring the seamless functioning of our Singapore regional office, focusing, and providing support on areas such as administration, compliance, and reporting. This addition underscores our commitment to operational excellence and regulatory compliance, vital components in advancing the prominence of U.S. Soy in the region.

SCOPE (SERVICES) OF WORK:

SUPPLEMENTAL INFORMATION AND BACKGROUND

BUILDING A PREFERENCE FOR U.S. SOY

USSEC's strategy can be found here: <http://ussec.org/about-ussec/vision-mission/> USB's Long Range Strategic Plan can be found here: <http://unitedsoybean.org/about-usb/strategic-planning/>

We are a dynamic partnership of key stakeholders representing soybean producers, commodity shippers, merchandisers, allied agribusiness and agricultural organizations.

Through a global network of international offices and strong support in the U.S., we help build a preference for U.S. soybeans and soybean products, advocate for the use of soy in feed, aquaculture and human consumption, promote the benefits of soy use through education and connect industry leaders through a robust membership program.

Our 15-member board of directors is comprised of four members from the American Soybean Association (ASA), four members from the United Soybean Board (USB), and seven members representing trade, allied industry, and state organizations.

New board members are seated annually. We are receiving funding from a variety of sources including soy producer checkoff dollars invested by the USB and various state soybean councils; cooperating industry; and the American Soybean Association's investment of cost-share funding provided by the United States Department of Agriculture's (USDA) Foreign Agriculture Service.

The United Soybean Board, created by the 1990 Farm Bill to manage and direct the National Soybean Checkoff, is dedicated to marketing and research for the soybean industry. USB is comprised of 73 volunteer soybean farmers representing the interests of fellow growers nationwide. Each board member is nominated by Qualified State Soybean Boards (QSSBs) and appointed by the U.S. Secretary of Agriculture.

Because of the limitations on administrative and salary costs established in the Act, USB outsources the majority of its program management responsibilities to USB's three primary contractors:

- SmithBucklin-St. Louis for domestic marketing, new uses, production research and Board initiative activities;
- Osborn & Barr Communications for communications/public relations activities and;
- U.S. Soybean Export Council (USSEC), Inc. for international marketing and global opportunities activities.

As one of these three primary contractors USSEC may also undertake initiative activities on behalf of USB. USB considers primary contractor staff (approximately 60 people) as core USB staff. These three primary contractors use a number of subcontractors and, together, these entities carry out approximately 450 projects each year for USB. USB also manages approximately 10 subcontractors.

Non-Discrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.
