**RFP TITLE:** TEAM LEAD - NEPAL

## RFP CONTACT:

Name: Kevin Roepke

Email: [kroepke@ussec.org](mailto:kroepke@ussec.org)

**Project Proposals Due:** Oct 18, 2024 by 5:00PM Dubai Time

## INTRODUCTION:

United States Soybean Export Council (USSEC) requests proposals to assist in the continued development and implementation of a Team Lead for Nepal.

Through a global network of international offices and strong support in the U.S., USSEC helps build a preference for U.S. soybeans and soybean products, advocate for the use of soy in feed, aquaculture, and human consumption, promote the benefits of soy use through education and connect industry leaders through a robust membership program.

## PURPOSE OF RFP:

Fair market value assessments that are open and transparent enable USSEC to determine the work to be performed and allows USSEC the opportunity to evaluate various proposals and select the best contractor for the job based on experience, availability, expertise, approach, and cost.

The purpose of this RFP is to seek proposals for the Nepal Team Lead, chiefly responsible for activities in Nepal. This RFP is for one year contract from January 1, 2025 to December 31, 2025 with the potential to be extended based on performance and the availability of funding.

## BACKGROUND & PURPOSE OF PROJECT

A critical approach to differentiating US soy from other origins, elevating preference and attaining market access is having a development team that will assist the on the ground presence that interface directly with key customers. USSEC will maintain the U.S. soybean industry's marketing and trade servicing capabilities in the South Asia region while providing trade services, technical services and marketing support to importers, end users and soy industry organizations.

The core strategy focuses on educating the target audiences about the specific advantages of U.S. soy in various applications, increasing their realization of those advantages, and establishing purchase preferences because of those advantages. In addition, Nepal has very precarious market access issues that must be addressed. The successful candidate will be able to articulate a clear strategy working with the Regional Director to overcome myriad issues including both tariff and non-tariff trade barriers.

## TARGET AUDIENCE:

Nepal trade associations, governments, non-governmental agencies, traders, importers, integrators, and processors. Travel and regular communications to and from these markets are expected. Due to government travel restrictions, the successful candidate will be able to provide a virtual solution to not being present in various settings.

## SCOPE (SERVICES) OF WORK:

*Under this contract, the Contractor shall promote the use and awareness of U.S. soybeans and soybean products through the following services:*

## SUPPLEMENTAL INFORMATION AND BACKGROUND

### *BUILDING A PREFERENCE FOR U.S. SOY*

**USSEC's strategic plan** can be found here: <https://ussec.org/wp-content/uploads/2022/01/USSEC-Strategic-Plan-2025.pdf>

**USB's Long Range Strategic Plan** can be found here: <http://unitedsoybean.org/about-usb/strategic-planning/>

We are a dynamic partnership of key stakeholders representing soybean producers, commodity shippers, merchandisers, allied agribusiness and agricultural organizations.

Through a global network of international offices and strong support in the U.S., we help build a preference for U.S. soybeans and soybean products, advocate for the use of soy in feed, aquaculture and human consumption, promote the benefits of soy use through education and connect industry leaders through a robust membership program.

Our 15-member board of directors is comprised of four members from the American Soybean Association (ASA), four members from the United Soybean Board (USB), and seven members representing trade, allied industry, and state organizations.

New board members are seated annually. We are receiving funding from a variety of sources including soy producer checkoff dollars invested by the USB and various state soybean councils; cooperating industry; and the American Soybean Association's investment of cost-share funding provided by the United States Department of Agriculture's (USDA) Foreign Agriculture Service.

The United Soybean Board, created by the 1990 Farm Bill to manage and direct the National Soybean Checkoff, is dedicated to marketing and research for the soybean industry. USB is comprised of 73 volunteer soybean farmers representing the interests of fellow growers nationwide. Each board member is nominated by Qualified State Soybean Boards (QSSBs) and appointed by the U.S. Secretary of Agriculture.
